TEMPERED GLASS: Entrance Systems - Tesla Diner (Los Angeles, CA)

About Glasswerks

Established in 1980 in Los Angeles, California, Glasswerks is a full-service fabricator specializing in commercial, architectural, and heavy-fabricated glass solutions. With decades of experience and state-of-the-art manufacturing equipment, we produce high-quality tempered, laminated, decorative, flat, and bent glass, as well as fully customized glass products.

Staffed by seasoned fabrication professionals, Glasswerks serves customers throughout the continental United States, including California, Hawaii, Utah, Nevada, and Arizona. Our team is built on deep industry knowledge and a hands-on understanding of the technical and logistical demands of complex glass projects, allowing us to deliver precision, consistency, and reliability at scale.

Our Approach

Our mission is to deliver exceptional quality by doing every job right—the first time, every time. While Glasswerks has grown over four decades, we have maintained the entrepreneurial mindset that defines our work: agility, accountability, and personal investment in every project.

By partnering closely with our customers, we provide flexible services, dependable lead times, and fabrication solutions tailored to each project's needs. Guided by our core values of quality, service, and pride, Glasswerks continues to be a trusted glass fabrication partner for residential, commercial, and architectural projects across a wide range of industries.

Best Decorative Glass Application - Glass Magazine Awards 2025
(Kaiser Bellflower Medical Office)

INSULATED GLASS: Facade - World Logistics Center (Moreno Valley, CA)

WHY CHOOSE US?

Glasswerks combines extensive production capacity, advanced technical expertise, and seamless operational coordination to execute complex architectural and commercial glass projects of any scale. Our mission is to provide the highest level of customer satisfaction by doing each and every task correctly the first time.....every time.
